2. Policy Statement

It is the responsibility of all members of the parish of St Matthew to give paramount importance to the nurture and care of children, young people and vulnerable adults, in a safe and secure environment. It is about preventing harm to children and adults wherever possible.

We recognise that:

- The welfare of the child, young person or vulnerable adult is paramount.
- Everyone has different levels of vulnerability and each of us may be regarded as vulnerable at some time in our lives
- All children, young people and adults who may be vulnerable (regardless of age, disability, gender, marriage and civil partnership, pregnancy, maternity, race, religion or belief, sex or sexual orientation) have the right to equal protection from all types of harm or abuse which can occur in all families and communities.
- Working in partnership with children, young people, vulnerable adults and their parents, carers and other agencies is essential in promoting their welfare.

We will develop a culture in our church that:

- Enables a safe and caring community to provide a loving environment where there is a culture of 'informed vigilance' as to the dangers of abuse.
- Enables and encourages concerns to be raised and responded to openly and consistently and protects children, young people and adults who may be vulnerable from actual or potential harm.
- Ensures all people feel welcomed, respected and safe from abuse.
- Values, listens to and respects children, young people and adults who may be vulnerable, encouraging them to be active contributors to the church community.

- Encourages adults who may be vulnerable to lead as independent a life as possible.

When concerns are raised we will:

- Respond without delay to every concern raised that a child, young person or vulnerable adult may have been harmed, or may be at risk of harm, through abuse or neglect.
- Work with police, local authority and other partners in any investigation, including where allegations are made against a member of the Church community.
- Challenge any abuse of power, especially by anyone in a position of trust.

If abuse has occurred we will ensure:

- Informed and appropriate pastoral care is offered to any child, young person or adult who has suffered abuse, including support to make a complaint if so desired.
- Supervision is provided for any member of the Church Community known to pose a risk of harm to others.
- Appropriate pastoral care is provided to any member of our church against whom an allegation is made.

In all recruitment we will:

- Carefully select those with any responsibility within the Church (including voluntary workers) in line with the Church of England Safer Recruitment Practice Guidance, 2016¹ (See parish of St. Matthew Safer Recruitment Guidelines) and provide ongoing supervision, support and training.

In our publicity we will:

- Share information about good safeguarding practice with children, young people and vulnerable adults, their parents, carers and all those working and worshipping with them.
- Where the Parish has a website we will ensure there is clear information available regarding our safeguarding arrangements, including a copy of the Parish Safeguarding Policy and other relevant information.

3. Who is a child, young person, adult who may be vulnerable?

Children and young people: for the purposes of this policy, means anyone under the age of 18 years. Children and young people may be abused by an adult or child, male or female. It is far more common for a child or young person to be abused by a person known to them than by a stranger. This could be a parent, family member, friend, teacher, minister or anyone else. Children may be abused in person or via

electronic media, they may experience harm as a result of seeing or hearing the abuse of others.

Where conflicts of interest arise between the welfare of the child and that of adults, the child's wellbeing must always be of paramount importance and priority.

Adults who may be vulnerable: The Care Act 2014 defines an adult to whom statutory safeguarding duties apply as an adult who:

- *Has needs for care and support (whether or not the Local Authority is meeting any of these needs)*
- *Is experiencing, or at risk of abuse or neglect*
- *As a result of those care and support needs is unable to protect themselves from either the risk of or the experience of abuse or neglect.*

(Care and Support Statutory Guidance, 2016)

The definition may apply to anyone 18 years old and over who may not be able to protect themselves from abuse, harm or exploitation, which may be by reason of illness, physical, sensory or learning disability or impairment, mental illness, use of drugs or alcohol. Increased vulnerability may be temporary or permanent and may be visible or invisible.

An adult may be abused or neglected by family (including spouses, parents and children), friends, carers (paid and unpaid), strangers and professionals and members of the community. Those at risk may live alone or may live with family or in a care setting e.g. residential home.

4. What is abuse and neglect?

Please see the table attached as **Appendix 2** This outlines the forms of abuse noted in legislation related to safeguarding children, young people and adults alongside some examples and potential indicators that abuse or neglect may be occurring.

5. What to do if you are concerned that abuse or neglect may be happening

You may see or hear something of concern or someone may tell you something of concern (a disclosure). If a child, young person or adult tells you that they have experienced abuse, are experiencing abuse or are concerned that they may be at risk:

Do	Don't
Listen. Try to move to a quiet space if possible	Tell them to speak to someone else
Let the person talk at their own pace and say what they want to say. If you need to clarify points ask open questions like: Tell me.. what happened, Explain ... about the incident Describe ...where it was , what happened	Investigate. Ask leading questions e.g. why did they do that, was it 'name', did it hurt you?
Take it seriously	Try not to react as though unbelieving or shocked
Reassure. Confirm they are doing the right thing by telling you.	Tell them not to tell stories
Tell them you need to share the concern with the right people e.g. Parish Safeguarding Officer, police, social care	Promise to keep a secret or tell people who don't need to know.
Record what was said and the facts as accurately as possible as soon as possible	Try to just remember it
	Contact the person the allegation is about

Whether a child, young person or adult has shared a concern with you or you have seen or heard something of concern...

If the situation is urgent i.e. there is an imminent risk of harm: contact the police on 101 or 999 as appropriate or contact the Local Authority Children or Adults safeguarding Teams:

Bristol City Council: Children's Safeguarding Team

0117 903 6444 - Monday to Friday

01454 615 165- Out of hours/Weekends

Bristol City Council: Adult Safeguarding Team

0117 922 2700 - Monday to Friday

01454 615 165 - Out of hours/Weekends

Once you have sought advice from police or the Local Authority and the situation is made safe, inform the Parish Safeguarding Officer as soon as possible of the

concern and actions taken; provide a written record of this. If the concern is about the Parish Safeguarding Officer contact the Incumbent or Diocesan Safeguarding Adviser.

If the situation is of concern but is not urgent: Contact the Parish Safeguarding Officer to report the concern and provide a written record (if the concern is about the Parish Safeguarding Officer contact the Incumbent or Diocesan Safeguarding Adviser). They will decide with you whether to discuss with the child, their parents or carers or the adult and any carers and whether a referral to the Local Authority Children or Adults Safeguarding Team is needed or any other action.

Note: Anyone can report a concern directly to police or the Local Authority at anytime.

The Parish of St Matthew hopes that all will follow this policy but where there is any concern that an issue has not been reported and should be or any reluctance to inform the church of an incident the parish of St Matthew wishes to make clear that the most important point is that those concerns are reported to the appropriate authority so that they can be acted upon where needed.

If there is an allegation that a person in a position of trust (minister, PCC member, staff member or volunteer) has abused or neglected a child or adult or that such a person may present a risk to a child or adult: The Diocese of Bristol 'Allegations Management Procedure'² will be followed (copies of this procedure can be found on the Diocesan website and copies are held by the Parish Safeguarding Officers, Clergy and in the Parish Office). In brief this procedure requires that:

- The concern should be reported as above; report should reach police and Local Authority within 1 working day.
- The concern should not be made known to the person against whom the allegation is raised without agreement with police and or the Local Authority.
- Next steps will be decided in conjunction with police, Local Authority representatives (including Local Authority Designated Officer where there is a concern for the welfare of a child), the Diocesan Safeguarding Adviser and parish representatives (usually PSO, Incumbent and Churchwardens).

If a person is identified who has a caution or conviction for abuse of children and or adults who may pose a risk to others: (usually those with convictions for sexual or violent offences) the Diocese of Bristol guidance 'Ministering to those who may pose a risk'³ (Copies of this guidance can be found on the Diocesan website and copies are held by the Parish Safeguarding Officers, Clergy and in the Parish

Office) will be followed. In brief this guidance advises that that Parish Safeguarding Officer and Diocesan Safeguarding Adviser are made aware and that the individual is informed that:

- To support their being part of the congregation as safely as possible, contact will be made with police, probation and other agencies connected with their case.
- The Diocesan Safeguarding Adviser and Church leaders will need to know of their circumstances.
- That a risk assessment will need to be completed
- And that a written agreement will be needed between the individual and the Church which agrees when the individual will or will not be involved in church services and activities, boundaries of behaviour and support offered.

6. Confidentiality and consent

Confidentiality: The parish of St. Matthew accepts the principle that only those with a need to know should be made aware of safeguarding concerns or other confidential information. All staff, ministers and volunteers are expected to share confidential information appropriately and to ensure that written records and verbal information is shared responsibly and stored securely.

Consent: The parish of St .Matthew accepts that all people have a right to make their own views and wishes known and that these wishes should be followed wherever possible.

Children: Where there is a concern that a child is experiencing or at risk of abuse or neglect they may ask those that know not to tell anyone. The parish of St Matthew accepts that we cannot do this; these concerns must be reported to the appropriate authorities to enable the child or young person to receive appropriate help and support. The parish of St .Matthew asks all staff, ministers and volunteers to explain this to children in their care when appropriate. Where there is concern that a child is experiencing or is at risk of abuse or neglect. The parish of St. Matthew expects that parents and carers will be communicated with and will have their consent sought for information to be shared with the Local Authority or other agencies. This should happen except where there is concern that to do so would place a child at increased risk or where a parent or carer may be involved in the sexual abuse of the child. In those circumstances advice of the Local Authority or police should be sought before informing the parents or carers of the concern. Where the allegation is against an individual who may have access to other children or vulnerable adults the referral should be made without seeking consent from parents or carers - how they are made aware of the concerns will be decided alongside statutory agencies.

Policy Date:18th October 2019

Version Number:1

Due for review:October 2020

Adults: Adults have the right to make their own decisions about their lives. Consent should be sought from an adult before information is shared about them. However, where an adult withholds consent for a safeguarding concern to be shared with statutory authorities (police and local authority), this should be accepted except where there may be others at risk (e.g. is the abuse or neglect is happening in a care home or hospital or the abuser has access to other vulnerable adults or children) or where there is reason to doubt that the individual has capacity to make that decision or where there is imminent risk of serious harm. Advice should be sought from statutory services (Adult social care or police) or the Diocesan Safeguarding Adviser where there is any doubt as to whether a concern should be referred.

7. Record Keeping

Records of all safeguarding concerns will be kept by the Parish Safeguarding Officers. They will keep a record of the initial concern and all actions taken. The records will be securely held in a locked filing cabinet in the vestry. All those involved with any safeguarding concern must ensure that they provide to the Safeguarding Officer any records related to that case for secure storage.

Records will be retained as per Church of England guidance 'Safeguarding Records: Joint Practice Guidance for the Church of England and the Methodist Church' 2015⁴ (Available on the Diocese of Bristol website).

The parish of St. Matthew does not have access to secure email systems. Therefore great care should be taken where email is used to ensure that confidential information is not open to being accessed by unauthorised individuals. Individual's confidential information should not be communicated via email (e.g. any information should not make the individual identifiable by name, address etc.).

Records must be maintained of staff and volunteer training and DBS checks. These will be maintained by the Parish Safeguarding Officer.

8. Safer Recruitment and ongoing support and supervision

All recruitment of staff and volunteers will be undertaken in line with Church of England policy 'Safer Recruitment, 2016'⁵. See 'The parish of St. Matthew Safer Recruitment Guidance' for further information.

Recruitment of staff and volunteers will only be undertaken by those delegated such responsibility from PCC.

Recruitment of staff and volunteers will only be undertaken according to agreed process.

10. Additional Related Policies

Photographs and videos

It is the policy of the parish of St .Matthew that no one should take photographs of children or young people without the written consent of that child's parent or carer and the consent of that child where they are old enough to give consent.

Where photographs are to be taken consent will be gained from parents and carers in advance, using the agreed form. This will stipulate: who will take photos, for what purpose they may be used, how they will be stored and after what period they will be destroyed.

All photos and videos taken for the parish of St. Matthew should be stored securely on devices belonging to PCC. No photo or video should be left stored on personal photography or videography equipment.

No photo will be taken, shared or used for any purpose which shows a child in any state of undress.

Children will not be named in publicity related to photographs or video.

Policy Date:18th October 2019

Version Number:1

Due for review:October 2020

Where an event may be photographed and is open to the public; signs will be displayed noting that photographs and or video may be taken and inviting anyone not wishing to be in any photos or video used to make this known to a named person. The photographer/ videographer will be named on these signs and will wear ID.

Only those delegated with that responsibility by PCC may ask for parental consent and arrange the taking of any photo or video.

Communications and Social Media

It is the policy of the parish of St. Matthew that no one employed on a paid or voluntary basis, serving as a PCC member or as a licenced minister will contact children or young people directly via social media, email, phone or text without the knowledge and consent of that child or young persons parent or carer.

Where such contact needs to be made (for example a text to advise of a change of time for an activity) the child's parent or carer will be asked for consent in advance and the parent or carer will be copied into that communication.

Very rarely contact may be made with a child or young person without the knowledge of the child's parents or carers (for example where there are serious safeguarding concerns for a child and it would increase the risk to the child to contact the parent). In this case the person making contact with the child must agree in advance with the Parish Safeguarding Officer that this is appropriate, a second adult should be copied into all communications e.g. Parish Safeguarding Officer or Incumbent and must keep a record of all communications and provide these to the Parish Safeguarding Officer for the case record.

Where a group wishes to have a social media account to publicise or communicate regarding their group or activity the following will apply:

- The account shall not be a personal account belonging to any group member or leader; it will be a separate group account.
- More than one adult will be administrator for the account so that all content and messages can be seen by more than one adult.
- All users will be made aware that bullying, harassment or other antisocial behaviour will not be tolerated. Information will be available to all users about how to raise a concern about the conduct of others and who with.
- Steps must be taken to prevent people outside the group having access to the names or personal details of anyone who is part of the group e.g. if a group Facebook page is used, the account settings should prevent group members being identified and any message sent to anyone other than the administrator.
- All those in a leadership role will ensure that their language is professional and appropriate e.g. not adding 'xx' to messages, not using nicknames that are not

Some Additional Information:

Child Sexual Exploitation: All children and young people can be at risk of sexual exploitation. This includes boys and girls of any age. This is a form of sexual abuse. Whilst young people can give consent to sexual acts from the age of 16 (so long as they have the capacity to do so) they continue to be a risk of sexual exploitation beyond their 16th birthday. **Any concern that a child or young person may be at risk of or experiencing sexual exploitation must be reported immediately to Children's Social Care or the police.** Sexual exploitation of children and young people under 18 involves exploitative situations, contexts and relationships where young people (or a third person or persons)

receive 'something' (e.g. food, accommodation, drugs, alcohol, cigarettes, affection, gifts, money) as a result of them performing, and/or another or others performing on them, sexual activities. Child sexual exploitation can occur through the use of technology without the child's immediate recognition; for example being persuaded to post sexual images on the Internet/mobile phones without immediate payment or gain. In all cases, those exploiting the child/young person have power over them by virtue of their age, gender, intellect, physical strength and/or economic or other resources. Violence, coercion and intimidation are common, involvement in exploitative relationships being characterised in the main by the child or young person's limited availability of choice resulting from their social/economic and/or emotional vulnerability.

Female Genital Mutilation: Female genital mutilation (sometimes referred to as female circumcision) refers to procedures that intentionally alter or cause injury to the female genital organs for non-medical reasons. The practice is illegal in the UK. It has been estimated that over 20,000 girls under the age of 15 are at risk of female genital mutilation (FGM) in the UK each year, and that 66,000 women in the UK are living with the consequences of FGM. However, the true extent is unknown, due to the "hidden" nature of the crime. The girls may be taken to their countries of origin so that FGM can be carried out during the summer holidays, allowing them time to "heal" before they return to school. There are also worries that some girls may have FGM performed in the UK. Any concern that a child of adult who may be vulnerable may be at risk of FGM must be reported immediately to the relevant Local Authority or directly to police.

Terrorism and Extremism: Any person may become drawn into extremism or sympathy with such views and into terrorism. This will often happen through contacts made via the internet but a culture that supports this can develop in any community, group, school or faith organisation. The Counter-Terrorism and Security Act 2015 places duties on certain bodies, not including Faith Organisations (excepting where such an organisation runs a school or other relevant premises) to have due regard to the need to prevent people from being drawn into terrorism. Everybody should be alert to any indication that a person or group may be developing or has developed an interest or ideology that may include harm to others. **Any concern related to this whether for a child or adult must be reported to the police without delay.**

Policy for Responding to Domestic Abuse

All forms of domestic abuse are wrong and must stop. We are committed to promoting and supporting environments which:

- ensure that all people feel welcomed, respected and safe from abuse;
- protect those vulnerable to domestic abuse from actual or potential harm;
- recognise equality amongst people and within relationships;
- enable and encourage concerns to be raised and responded to appropriately and consistently.

We recognise that:

- all forms of domestic abuse cause damage to the survivor and express an imbalance of power in the relationship;
- all survivors (regardless of age, disability, gender, racial heritage, religious belief, sexual orientation or identity) have the right to equal protection from all types of harm or abuse;
- domestic abuse can occur in all communities;
- domestic abuse may be a single incident, but is usually a systematic, repeated pattern which escalates in severity and frequency;
- domestic abuse, if witnessed or overheard by a child, is a form of abuse by the perpetrator of the abusive behaviour;

In our publicity –

- raising awareness about other agencies, support services, resources and expertise, through providing information in public and women-only areas of relevance to survivors, children and alleged or known perpetrators of domestic abuse.

When concerns are raised –

- ensuring that those who have experienced abuse can find safety and informed help;
- working with the appropriate statutory bodies during an investigation into domestic abuse, including when allegations are made against a member of the church community.

In our care –

- ensuring that informed and appropriate pastoral care is offered to any child, young person or adult who has suffered abuse;
- identifying and outlining the appropriate relationship of those with pastoral care responsibilities with both survivors and alleged or known perpetrators of domestic abuse.

Handling of Disclosure Information

Storage and Access: DBS Disclosure Certificates (including any copies or downloads) must never be kept on an applicant's personal file. They must be stored separately in a secure, lockable, non-portable cabinet, with access strictly controlled and limited to those who are entitled to see it as part of their duties.

Handling: In accordance with Section 124 of the Police Act 1997, disclosure information is only passed to those who are authorised to receive it in the course of their duties. A record should be kept of all those to whom Disclosures or Disclosure information has been revealed and it is a criminal offence to pass this information to anyone who is not entitled to receive it.

Usage: Disclosure information must only be used for the specific purpose for which it was requested and for which the applicant's full consent has been given.

A disclosure certificate must be for the correct workforce only and at the correct level. i.e. a person recruiting for a role in the child workforce at enhanced level should not ask to see a certificate for child and adult workforce at enhanced plus level as the certificate may include information that the recruiter is not entitled to see.

Retention: Once a recruitment (or other relevant) decision has been made, a disclosure certificate (including any copies or downloads) should not be kept for any longer than is absolutely necessary. This is generally for a period of up to six months, to allow for the consideration and resolution of any disputes or complaints. If, in very exceptional circumstances, it is considered necessary to keep Disclosure information for longer than six months, consultation should be made with the umbrella body CCPAS. Advice can then be given regarding the Data Protection and Human Rights of the individual. The above conditions regarding safe storage and strictly controlled access would still apply in these circumstances.

Policy Date:18th October 2019

Due for review:October 2020

Disposal: Once the retention period has lapsed, Disclosure certificates must be suitably destroyed by secure means, i.e. shredding, pulping or burning. Whilst awaiting destruction, Disclosure certificates must not be kept in any insecure receptacle (e.g. waste bin or confidential waste sack). No copies of the Disclosure certificate may be kept, in any form. However, a record should be kept of the date of the issue of a disclosure, the name of the subject, the type of disclosure requested, the position for which the disclosure was requested, the unique reference number of the disclosure and the details of the recruitment decision taken.

This policy stands for all staff and volunteers recruited by St Matthews Church, Kingsdown. Bristol

Fair Recruitment of Ex Offenders policy

As an organisation using the Disclosure and Barring Service (DBS) to assess applicants' suitability for positions of trust, St Matthew's undertakes to comply fully with the DBS Code of Practice and to treat all applicants for positions fairly. It undertakes not to discriminate unfairly against any subject of disclosure on the basis of conviction or other information revealed.

We make every subject of a DBS Disclosure aware of the existence of the Code of Practice and make a copy available on request.

Having a criminal record will not necessarily bar you from working with us. It will depend on the nature of the position and the circumstances and background of your offences.

A Disclosure is only requested after a thorough assessment has indicated that one is both proportionate and relevant to the position concerned. For those positions where a Disclosure is required, all application forms, job adverts and recruitment briefs will contain a statement that a Disclosure will be requested in the event of the individual being offered a position.

Where a Disclosure is to form part of a recruitment process, we encourage all applicants called for interview to provide details of any unspent criminal record at an early stage in the application process.

Unless the nature of the position allows St Matthew's to ask questions about your entire criminal record, we only ask about "unspent" convictions as defined in the Rehabilitation of Offenders Act 1974.

Where the nature of a position does allow us to ask questions about your entire criminal record excepting any "protected" information we will ask you to complete a "Self Disclosure Form" before asking you to apply for a DBS disclosure. (Further information about what information should be disclosed is available from DBS in their 'DBS Filtering Guide', <https://www.gov.uk/government/publications/dbs-filtering-guidance/dbs-filtering-guide>). This enables us to discuss with you at an early stage any information which may cause you to be unable to progress to confirmation in role. We request that this information is sent under separate, confidential cover to the person within the organisation who is responsible for processing your DBS disclosure application and we guarantee that this information will only be seen by those who need to see it as part of a recruitment process.

Policy Date:18th October 2019

Where a caution, conviction or additional information is disclosed by you or on a DBS disclosure your consent will be sought to forward a copy of the document to the Diocesan Safeguarding Team (DST).

The DST will make contact with you to discuss the information and the circumstances in which the caution, conviction or concern arose. The DST may need to speak to statutory bodies or individuals and will seek your consent to do so. The DST will provide a written risk assessment to the recruiter which includes a recommendation of safe to proceed, proceed with amendments to role or not safe to proceed. You will be provided with a copy of that assessment.

The recruiter will then communicate to you a decision regarding whether they are able to continue with the appointment process. Failure to reveal information that is relevant to the position sought could lead to withdrawal of an offer of employment or voluntary work. Failure to consent to risk assessment will result in any offer of employment or voluntary work being withdrawn.

Quality Assurance and Appeals:

Should the individual subject to this process feel that they have been treated unfairly or that the process is contradictory to Church of England practice guidance, they may appeal. The individual subject to risk assessment states in writing that they wish to appeal. If the individual initially states verbally that they wish to appeal they may be assisted by any party in producing a letter stating their reason for appeal.

In the first instance the appeal should be made to the Parish Safeguarding Officer/Recruiter. The Parish Safeguarding officer will discuss this appeal with the Diocesan Safeguarding Adviser and act upon their advice. In order to ensure that this process is followed according to Church of England agreed policy and practice (see National Church of England [‘Practice Guidance: Risk Assessment for individuals who may pose risk to children or adults’](#) June 2015) the Diocesan Safeguarding Adviser will be made aware of all appeals.
