

FLOWER POWER!

Option 1: Toilet paper flowers

Fold up a long piece of toilet paper and cut slits down the side and a semi circle out of the top.

Repeat with these bigger measurements.

Unfold the paper and stick the lolly pop stick onto one end.

Wrap the paper around the stick and tie up the bottom. Repeat for the second bigger bit of paper.

Pull outwards the last few petals to make the rose shape and colour the petals if you would like to.

Option 2: Toilet tube flowers

Cut up tube, squeeze together for petal shapes and stick down.
