

# Journey through the storm

Bubble Church Online 31/01/21

# How you doing?

Tell someone how  
you are doing.  
Smile shared= 2 smiles  
and a problem  
shared is a problem  
halved.

Do you need to say  
hello to someone  
before we start...

# Take it to the Cross

- Find a picture of the cross or make one.
- Write anything you are worried about and put it at the foot of the cross.
- Once you have prayed, throw the worry away. God has heard.

Would it help to talk to someone? Find someone you trust.

# Abstract Art

We did floating and sinking last week. If you want something new, how about painting a 'storm'? Here's 2 ideas, but they are messy, so make sure you dress right and do them in a sensible place.

1. Outside: Set up paper and then flick lots of different colours and see how they merge together.
2. Bubble Painting: Mix some paint with bubble mixture then blow the mixture on to paper to capture the effect.

# God is bigger than the storms

Thank God for anything you can think of by curling up in to a ball and then popping with the praise you just can't keep in. Who bursts the biggest?
