Churches might be empty, but so's the tomb!

>

What does an empty tomb mean for you this Easter?

An Empty Tomb

- › How do you give evidence for someone who is not there?
- › Make, paint, design an empty tomb. What's the biggest stone you can roll in place?

He Has Risen

- › The cry of Easter
- › Set up an Easter party with balloons, streamers, party poppers: whatever you can find.

Now go and find those Eggs

Every time you see an egg why not say a quick thank you for the new life we now have.

He Has Risen Indeed!

Hallelujah!
