Jesus' Journey

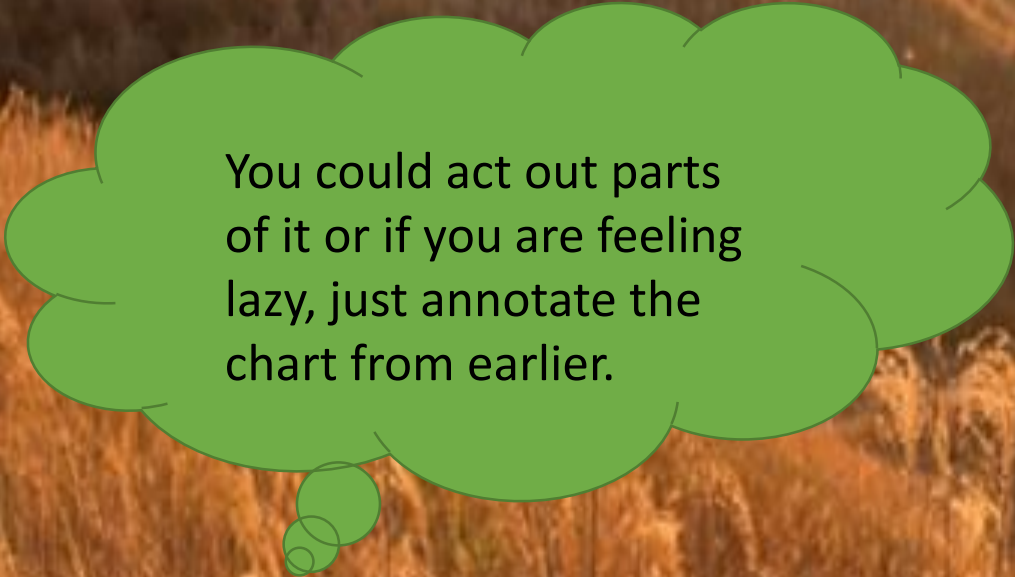

A truly different day

- Good Friday is a truly unique day. Spend some time thinking about why. Why not try one of these activities to help.

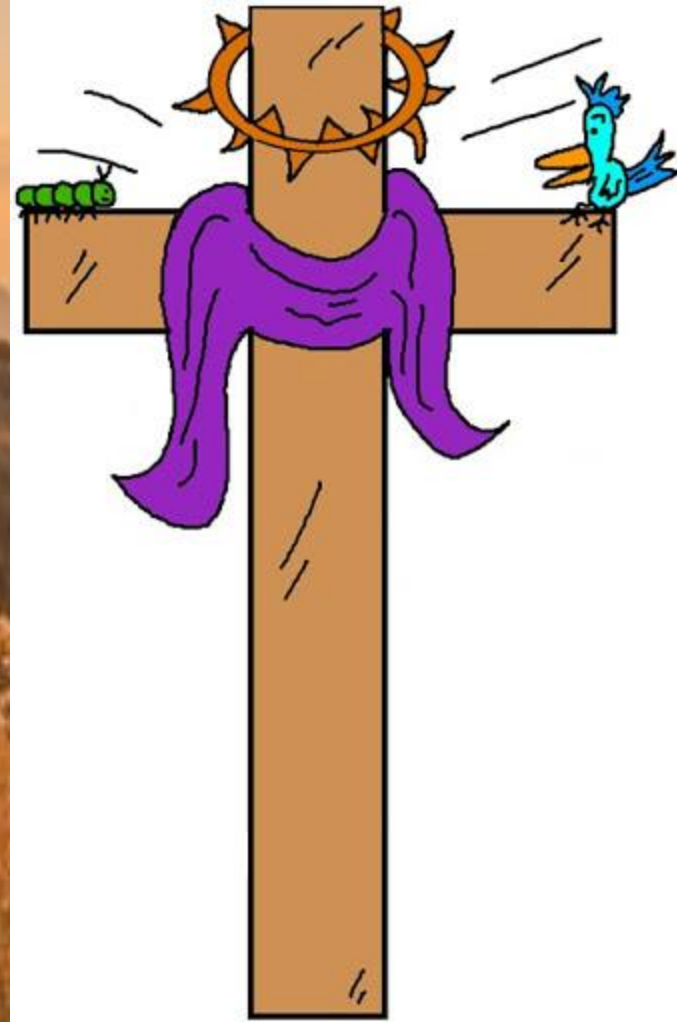

Onlooker

Create your own storyboard of events. Why not paint yourself in as a person seeing what was happening. How might you feel? What questions would you ask?

You could act out parts of it or if you are feeling lazy, just annotate the chart from earlier.

Cross Eyed

- Have a go at making your own cross. One of our youth found it moving to put up the cross in the garden. How about you?

- Do a cross hunt either indoors or outdoors. How many can you spot?

Bake or Buy

- Go and buy some or can you spend some time baking your own.

The Final Journey?

Bet it felt like a dismal end that Friday evening. Not much margin for a follow up here...
