Parades

How many different reasons can you think of for a parade?

What does it feel like to walk past all those people?

Palm Crosses

It wouldn't be Palm Sunday without Palm crosses. Here's one that Nick made.

That was too hard for me, so Richard found another way:

Put your hands up for Jesus!
Run round your house or garden waving your cross, however you made it.

Extreme popcorn prayers

Crouch down and explode out with things you are thankful for.

Instead of just jumping with your praise, run round the room waving your palm cross.

Crowd: Who's voice
are you listening to?
What makes you
change your mind?

LUKE 19:28-40

Pharisees: Why does
this make you cross?
What would make you
smile?

Disciples: What has
Jesus asked you to
do? How are you
getting on?

Missed one!

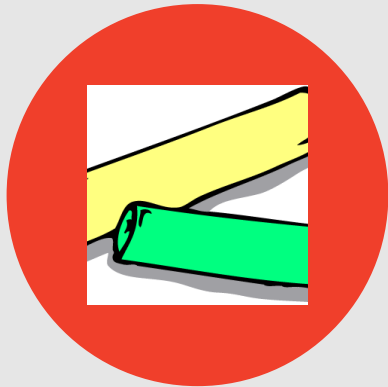

Jesus: How are you feeling? Why do you not want to ride on a great horse?

- Read Luke 19:41-45

- Jesus prayed for things that were wrong with his city.
- Take some time to pray for ours.
